Definition of disability in terms of (WHO) in case of impairment/disability/handicap:

IMPAIRMENT: Impairment is defined as “any loss” or abnormality of psychological, Physiological or anatomical structure or action: e.g. loss of foot, defective vision or mental retardation. Impairment may be visible, temporary or permanent aggressive or regressive. Further, one impairment may lead to the development of “secondary” impairments as in the case of leprosy are damage to nerves (primary impairment) may lead to planter (secondary impairment).

DISABILITY: Because of impairment, the affected person unable to carry out certain activities considered normal for his seat etc. “This inability to carry out certain activities is termed liability”. A disability has been defined as “ any restriction or lack of ability to perform an activity in the manner or within the range considered normal for a human being.

HANDICAP: As a result of disability, the person experiences certain disadvantages in life and is not able to this discharge the obligations required to him and play the role expected from him in society. This is termed “handicap” and is defined as “ a disadvantage for a given individual, resulting from an impairment or a disability, that prevents the limits to fulfill the role that is normal (depending on age, sex, and social and cultural factors) for that individual”.

Taking accident as an example, the above terms can be explained further as follow:

Accident =====Disease for disorder.

Loss of foot ===== impairment (extrinsic or intrinsic)

Can not walk ===== Disability (objectified)

Unemployed ===== Handicap (socialized)

The candidate applying against the seat reserved for the disable person shall have to produce a certificate from the Medical Board, Bolan Medical College Hospital, Quetta as

constituted by Government of Balochistan. The Medical Board shall be guided by the definition of the World Health Organization in respect of the disabled person. If there is no eligible candidate then the vacant seat shall be filled on purely open provincial merit. The selection committee reserves the right to refer it to special committee in case the medical certificate is not covered in accordance with the requirement of WHO.

Note: - Hard of hearing will not be considered as a disability.

f) One seat for employees of Colleges / Technology. **(01)**

b) The Entry Test paper shall consist of 150 MCQs as per following detail: -

		<u>Time for Test</u>	
		1.50 (Objective Test)	
<u>FSC Pre Engineering</u>		<u>ICS</u>	
(a) Mathematics	50 MCQs	(a) Mathematics	50 MCQs
(b) Chemistry	25 MCQs	(b) Computer	25 MCQs
(c) Physics	50 MCQs	(c) Physics	50 MCQs
(d) English	25 MCQs	(d) English	25 MCQs
Total	150MCQs	Total	150MCQs

Note: - Candidate, who have passed Intermediate examination with the subject of Computer Science may take entry test in Computer Science as a subject instead of chemistry.

Examples for obtaining the calculated marks:

- 1) Calculate Marks of F.Sc. Pass candidates securing 660
Adjusted marks out of 1100 and entry test score 75 out of 150.

Solution: -

(I) F.Sc Marks Calculation out of 50%.

Adjusted Marks secured in F.Sc	=660
Total Marks (F.Sc)	=1100
Marks Secured out 70	(I) $= (660/1100) \times 50 = 30.00$

(II) Entry Test Marks Calculation out of 50%.

Marks obtained in Entry Test	=75
Total Marks of Entry Test	=150
Marks out of 100	(II) $= (75/150) \times 100 = 25.00\%$

(I) DAE Marks Calculation out of 50.

Adjusted Marks secured in DAE	=2200
Total Marks (DAE)	=3300
Marks Secured out 70	(I) $= (2200/3300) \times 50 = 33.33$

(II) Entry Test Marks Calculation out of 50.

Marks obtained in Entry Test	=75
Total Marks of Entry Test	=150
Marks out of 30	(II) $= (75/150) \times 50 = 25.00\%$

2.20 The candidates who apply for their admission on the basis of fake certificates/documents (detected before or after their admission) shall be prosecuted under criminal law and their admission shall be cancelled.
